Tuition and Fees 2026-2027

Grade Level	Monthly Tuition (July-June)	Total Per Year
K3 Class* (M/W/F half day)	\$250	\$3,000
K4 or Half Day K5 Kindergarten	\$392	\$4,700
Full Day Lower School (Kindergarten – 6 th Grade)	\$608	\$7,300
Upper School (7 th – 12 th Grades)	\$667	\$8,000

*Children eligible if 3½ before Sept 1. Other requirements apply.

Monthly tuition payments are due on the first and payable until the fifteenth of the month, beginning in July and continuing through June. There are three options: a 10-month plan ending in April, 2027, a 12-month plan ending in June, 2027, or a one lump sum payment plan due July 1, 2026. The lump sum payment plan receives a 3% discount. Late payments will be assessed a 2% per month penalty or incur a \$25 late fee per month, whichever is greater. Payments are scheduled with FACTS auto-pay.

Application Fee: Applications must be submitted online. Applications are not complete in the system until the application fee is paid. The fee is \$50 per application.

Enrollment Fee: A non-refundable \$250 per student enrollment fee is due at the time of acceptance or re-enrollment. *However, there is an Early-Bird discount of \$100 if re-enrolled prior to April 1st, 2026 or a discount of \$50 if enrolled between April 1st and May 15th.* After May 15th, the discount goes away. Families are thus encouraged to enroll early!

Late Entry Fee: Enrollment after September 14th will incur a \$250 fee to cover extra time/expenses in helping a student catch up to a class already in progress.

Testing Fee/Activity Fee: A \$100 combined Testing Fee (\$50) and Activity Fee (\$50) for all students in grades 1st-10th is due by September 1st. (No testing fees are required for students in grades K3-K5 or 11th & 12th so just an Activity fee of \$50 is due by September 1st.) Fees are billed via FACTS incidental billing.

School Supplies: No additional fee is assessed for school supplies. Parents are not required to purchase classroom supplies from a published list. Instead, each teacher will have a short list of items students should have on hand for personal use.

Family Discounts: Families enrolling two or more children will receive 7% off the second child's tuition, 10% off the third child's tuition and 15% off the fourth child's tuition (the oldest child is always considered the first student).

Full Time Ministry Discount: Discounts are available for the children of those serving the Lord in full time ministry. Eligibility for this discount will be determined by the Head of School. Please call the school for more information.

Tuition Assistance: Geneva Academy has always provided Tuition Assistance to families. It is made possible by donations to Geneva Academy for that purpose. The school distributes 100% of those charitable gifts to families that apply for financial help. There are two programs: Regular Tuition Assistance and Expanded Tuition Assistance. Please see the document “**A Summary of Tuition Assistance**” for more information.

Please note that new families must submit an application to Geneva Academy before submitting a Tuition Assistance application. Tuition assistance applications won't be reviewed until an application for admittance to Geneva Academy has been received. Eligibility is based first on financial need. Other factors include a family's commitment to classical Christian education, their future ability to pay tuition without assistance, and their willingness to help with the school. Tuition Assistance applications are available online through FACTS and there is a \$45 fee to apply. Applicants must be prepared to fully disclose the reasons for the request. The previous year's tax return (if filed) must be submitted with the tuition assistance application.

Early Withdrawal Fee: When families enroll a child, they commit to pay the expenses of the student for the full year. At the same time, the school commits resources (teacher salaries, supplies, etc.) to teach that same child. The school plans and allocates funds based on enrollment. *When parents withdraw a student early, it breaks their commitment and introduces a financial challenge to the school, which must still meet its obligations.* Therefore, an Early Withdrawal (“EW”) Fee will apply to students withdrawn early. Past due accounts must be made current to the time of withdrawal, and then the fee will be applied. Please refer to the document “**Early Withdrawal Fee Policy**” for details and exceptions.
